SUMMARY

An industrial visit to PONLAIT (Pondicherry Co-operative Milk Producers' Union Ltd.) by II BCOM students typically serves as an educational experience aimed at giving them practical insights into the operations of a dairy industry.

Activities:

- Interaction with Professionals: There is usually an interactive session with PONLAIT's management team, where students can ask questions and learn from the experiences of industry professionals.

The visit to PONLAIT allows BCOM students to bridge the gap between classroom learning and real-world industry practices, enhancing their understanding of the business environment.
