PERMISSION LETTER

FROM

Mrs.D.RAJALAKSHMI,
Head & Assistant Professor,
Raak Arts and Science College,
Perambai – 605110

TO

The Principal,
Raak Arts and Science College,
Perambai – 605110

Respected Sir,

SUB: Requisition for industrial visit

I am writing to seek your permission to organize an educational visit for our students to UNIQ Technologies, Chennai on 29.09.2022. This trip is part of our ongoing efforts to enhance the students' understanding behind various technologies. The trip will offer the students a unique opportunity to experience about developing projects and gain a deeper practical knowledge.

Thanking you

Place: Perambai

Date: 22.09.2022

Yours Faithfully

PRINCIPAL
RAAK ARTS & SCIENCE COLLEGE
VILLIANUR POST-605 110

SUMMARY

ABOUT INDUSTRIAL VISIT

Industrial Visit Report

Company Visited: UNIQ Technologies

Date of Visit: 22.09.2022

Students and Faculty: 34 Students, Accompanied by 2 Faculty Members

1. Introduction

On 29/09/2020, 34 Students from Computer Science & Application Department at RAAK College visited UNIQ Technologies. This visit was organized to provide students with practical exposure to the industry and to bridge the gap between theoretical knowledge and real-world applications.

2. Objectives

The objectives of the visit were to:

- **Understand:** Gain insight into the operations and technologies used at UNIQ Technologies.
- **Observe:** See firsthand the application of theoretical concepts learned in class.
- **Explore:** Learn about potential career opportunities and industry trends.

3. Itinerary and Activities

Company Overview:

- An introductory presentation on UNIQ Technologies, covering its history, mission, and key areas of expertise. The presentation highlighted notable projects and achievements in specific technologies

Faculty Tour:

Affiliated to Annamalai University, Chidambaram || An ISO 9001:2015 Certified Institution
Recognized under section 2(f) of the UGC Act, 1956.

- **Development Labs:** Students were shown the development labs where specific technologies or projects are developed. Demonstrations included specific tools or processes.
- **Testing and Quality Assurance:** An overview of the QA processes, including how products are tested and validated to meet industry standards.
- **Innovation and R&D Centers:** A tour of the innovation centers where new technologies and solutions are conceptualized and tested.

Interactive Sessions:

- **Technical Workshop:** A hands-on workshop where students interacted with [specific technology or tool], guided by [Name of Instructor/Trainer].
- **Q&A Session:** A discussion with [Names of Key Personnel], who answered questions regarding industry practices, career paths, and the future of technology.

4. Key Takeaways

- **Technological Insight:** Students gained practical knowledge about [specific technologies or methodologies], which are crucial in the current industry landscape.
- **Real-World Applications:** The visit provided a clear understanding of how theoretical concepts are applied in real-world scenarios.
- **Career Opportunities:** Interaction with industry professionals gave students valuable insights into potential career paths and the skills required for success in the technology sector.

5. Feedback

Feedback from students and faculty was overwhelmingly positive. Students appreciated the opportunity to engage with cutting-edge technologies and learn from experienced professionals. The interactive sessions were particularly praised for their practical value and relevance to students' academic and career interests.

CONCLUSION

The industrial visit to UNIQ Technologies was a highly educational and enriching experience for the students of RAAK College. It successfully met the objectives of providing practical exposure and insights into the technology industry. We extend our gratitude to UNIQ Technologies for their hospitality and for making this visit a valuable learning experience.

We look forward to future opportunities for collaboration and continued engagement with UNIQ Technologies.
