

16th November, 2021

TO WHOMSOEVER IT MAY CONCERN

I'm pleased to write this recommendation for RAAK Arts and Science college training at RAPS Enterprises from 24th April, 2021-11th November, 2021. She joined our company as a Youth Ambassador and managed to fit in well in a short span of time. She was quick at understanding the work demands after the initial training.

Being a part of the target audience, Prathap had been able to accumulate authentic data about the trends, tastes and preferences of the demographic and elevate the campaigns through garnered insights.

Fluent communication/social skills supported her in carrying out campaigns via smooth coordination amongst various departments.

Under a limited span of time, Prathap managed to grasp the necessary knowledge about the workings of a company in a way that makes her the perfect member for any team.

Regards,

R. Prudat.

Report on Seminar Conducted by Prakash Reddy, Chartered Accountant, at Raak Arts and Science College

Date: 07/03/2022

Location: Raak Arts and Science College, N4 Hall , II Floor

Subject: Seminar on Accounting and Finance by Prakash Reddy, Chartered Accountant

Introduction:

On 07/03/2022, Raak Arts and Science College hosted a seminar led by Mr. Prakash Reddy, a distinguished Chartered Accountant. The seminar was organized by the Department of Commerce with the aim of providing students with advanced knowledge and practical insights into the fields of accounting and finance.

From Raak Arts and Science College:

Dr.D.BARANITHARAN , Head of Department, Commerce

Mr S.Lokesh Kumar , AP ,Commerce (Program Co-ordinator)

Speaker:

Mr. Prakash Reddy, Chartered Accountant

Students from the Commerce Department

Agenda of the Seminar:

1. Welcome and Introduction:

- The seminar commenced with a welcome address by the Head of the Department of Commerce. The audience was introduced to Mr. Prakash Reddy and provided with an overview of the seminar's agenda and objectives.

2. Presentation by Mr. Prakash Reddy:

- ✓ Mr. Prakash Reddy delivered an engaging presentation on the topic “Contemporary Issues and Trends in Accounting and Finance.” His presentation covered various key aspects, including:
 - ✓ Emerging trends in accounting practices
 - ✓ The impact of technology on finance and accounting
 - ✓ Ethical considerations and compliance
 - ✓ Career opportunities and skill development for aspiring accountants

3. Interactive Q&A Session:

Following the presentation, Mr. Reddy conducted an interactive Q&A session where students had the opportunity to ask questions related to the field of accounting and finance. Mr. Reddy provided detailed and practical answers, addressing student queries about industry challenges, career growth; and effective learning strategies.

4. Networking and Career Advice:

Mr. Reddy offered personalized career advice and shared his own professional journey, highlighting the importance of continuous learning and professional development in the field of accounting.

5. Closing Remarks:

The seminar concluded with closing remarks from the Head of the Department, who expressed gratitude to Mr. Prakash Reddy for his valuable insights and time. A token of appreciation was presented to Mr. Reddy.

Enhanced Knowledge:

Students gained a deeper understanding of current trends and practices in accounting and finance, along with insights into the practical applications of their studies.

Career Guidance:

The seminar provided students with practical career advice and a clearer understanding of the skills and qualifications required to succeed in the accounting profession.

Engagement:

The interactive format of the seminar allowed for active student engagement, enhancing the learning experience and fostering a greater interest in the field of accounting.

Feedback:

Feedback from attendees was overwhelmingly positive. Students appreciated the practical knowledge shared by Mr. Reddy and found the career advice particularly valuable. Faculty members also praised the seminar for its relevance and impact on students' professional development.

Conclusion:

The seminar conducted by Mr. Prakash Reddy at Raak Arts and Science College was a significant success. It met its objectives of providing valuable insights into the accounting profession and offering practical career advice to students. The college looks forward to hosting similar events in the future to further bridge the gap between academic learning and industry practice.

Report on Placement Drive by Lucas TVS Ltd.

Date: 25th April 2022

Venue: RAAK Arts and Science College Campus

Organized by: Placement Cell, RAAK Arts and Science College

Participants: UG and PG Final Year Students

On the 25th of April 2022, RAAK Arts and Science College hosted a placement drive conducted by Lucas TVS Ltd., a prominent name in the automotive electrical components industry. The drive was meticulously organized by the Placement Cell of the college, aiming to provide final-year undergraduate and postgraduate students with career opportunities in a well-established company.

The placement drive attracted a significant number of final-year students from both UG and PG programs, who were eager to demonstrate their skills and knowledge. The selection process was comprehensive and included several stages to identify the most suitable candidates:

1. **Preliminary Screening:** The initial phase involved screening candidates based on their academic performance, resumes, and relevant coursework.
2. **Aptitude Test:** Students were required to complete an aptitude test designed to evaluate their logical reasoning, problem-solving skills, and basic technical knowledge.
3. **Technical Interview:** Those who cleared the aptitude test moved on to the technical interview stage, where their subject matter expertise, understanding of core concepts, and technical skills were thoroughly assessed.
4. **HR Interview:** The final round was a personal interview with the HR team, focusing on the candidates' interpersonal skills, cultural fit within the company, and their long-term career goals.

The placement cell played a crucial role in preparing the students for this drive. Prior to the event, they organized preparatory sessions, including resume-building workshops, mock interviews, and group discussions, which were instrumental in boosting the students' confidence and readiness.

The event concluded with the selection of candidates who met the company's criteria. The representatives from Lucas TVS Ltd. expressed their satisfaction with the quality of the candidates and commended the college for its well-organized process.

Overall, the placement drive by Lucas TVS Ltd. was a resounding success. It provided final-year UG and PG students at RAAK Arts and Science College with valuable opportunities to begin their careers with a leading company in the automotive sector.

Report on Software Training Program by SMV Software Solutions

Date: 5th May 2022

Venue: RAAK Arts and Science College Campus

Organized by: Placement Cell, RAAK Arts and Science College

Participants: Final Year Students from the Computer Science Department

Course Topics: Java, C++, Python, C, MySQL, HTML, CSS

On the 5th of May 2022, SMV Software Solutions conducted an intensive software training program at RAAK Arts and Science College, specifically designed for final-year students from the Computer Science Department. The training was organized by the placement cell and aimed to enhance the students' technical skills in various programming languages and web development technologies.

Objectives of the Training Program:

The primary goal of the training program was to equip students with advanced knowledge and practical skills in key programming languages and tools that are highly valued in the IT industry. The program was tailored to address both the theoretical and practical aspects of software development, ensuring that students could apply their learning effectively in real-world scenarios.

Course Content:

The training program covered a comprehensive range of topics, including:

1. **Java:** Object-oriented programming concepts, exception handling, multithreading, and advanced Java features like JavaFX and Java Servlets.
2. **C++:** Fundamentals of C++ programming, data structures, STL (Standard Template Library), and memory management.

RAAK ARTS AND SCIENCE COLLEGE

Affiliated to Annamalai University, Chidambaram || An ISO 9001:2015 Certified Institution
Recognized under section 2(f) of the UGC Act, 1956.

3. **Python:** Python programming basics, libraries, data analysis with Pandas, and web development using Django.
4. Core concepts of C programming, pointers, file handling, and data structures in C.
5. **MySQL:** database design, SQL queries, normalization, joins, and database connectivity using various programming languages.
6. **HTML & CSS:** Fundamentals of web development, creating responsive web pages, and styling with CSS.

Training Methodology:

The training was conducted through a combination of lectures, hands-on coding sessions, and real-time project work. The instructors from SMV Software Solutions, who are industry professionals with extensive experience, provided in-depth explanations and guided the students through various coding exercises.

- **Interactive Sessions:** Students were encouraged to actively participate in discussions, ask questions, and clarify their doubts in real-time.
- **Practical Assignments:** Each module included practical assignments that allowed students to apply the concepts they learned, fostering a deeper understanding of the subject matter.
- **Project Development:** The training concluded with a capstone project where students worked in teams to develop a software application, incorporating elements from all the topics covered during the program.

Outcomes and Feedback:

The training program was highly beneficial for the participants, significantly enhancing their coding skills and their understanding of various programming languages and technologies. The students appreciated the practical, hands-on approach of the training, which helped them gain confidence in their ability to write code and develop software applications.

The feedback from the participants was overwhelmingly positive. Many students noted that the program had not only strengthened their technical knowledge but also prepared them for job interviews and placement opportunities in the IT industry.

Conclusion:

The software training program conducted by SMV Software Solutions on May 5, 2022, was a resounding success. Organized by the Placement Cell, this program provided final-year Computer Science students with a valuable opportunity to enhance their technical skills in programming and software development. The training has significantly contributed to their readiness for careers in the IT sector, equipping them with the knowledge and skills needed to excel in a competitive job market.

Strides Shasun Placement Drive and Industry Visit for Chemistry Students

Date: 11/04/2022

Location: Raak Arts and Science College,

Subject: Placement Drive

1. Placement Drive

Purpose:

To connect chemistry students with job opportunities at Strides Shasun.

To recruit fresh talent for various roles within the company, such as in research and development, quality control, or manufacturing.

Activities

Application Process: Students will be required to submit their resumes and possibly other application materials.

Screening: Initial screening of applications based on qualifications and relevant skills.

Interviews:

Written Tests: Assessing theoretical knowledge and practical skills in chemistry.

Technical Interviews: Focused on the student's understanding of chemical processes, pharmaceutical sciences, and problem-solving abilities.

HR Interviews: Evaluating the candidate's fit with the company culture and discussing career aspirations.

Preparation:

Resume: Ensure your resume highlights relevant coursework, projects, internships, and any research experience.

Skills: Brush up on key chemistry concepts, laboratory techniques, and any specific pharmaceutical processes relevant to Strides Shasun.

PRINCIPAL
RAAK ARTS & SCIENCE COLLEGE
