Short Intro: I am Author, Speaker, Trainer and Consultant with 14 years of industry experience. I have worked with BPOs, SEO, Publishing, and content writing. Some of the companies that I have worked with are giants in their domain, like HCL Technologies, Energizer, Aptara, Springer, and Integra.

I had been a Project Manager, Managing Editor, Technical Support Officer earlier and I am currently employed as Mentor for Project Management in Integra. I conduct trainings for project managers, communication training for management, and help the company build educational platforms for our clients. I am also one of the hiring managers in Integra, and I look after the hiring of project managers.

In 2017, my book has been published Tale of an Engineer as an ebook and is available on Amazon.com.

I have been involved in counseling, and I am an expert in performance improvement. My interests include Language, Books, Training, Performance Improvement and Business excellence to name a few among many. Apart from this, I am bird photographer, and my other pursuits are of spiritual nature.

I am an engineer by education; however I am more of a consultant of performance improvement, and business excellence.

TOPIC

I will be glad to give a talk about "Importance of Communication in Professional Life". In which I will discuss the following points before the audience.

1. What is communication?
2. How communication shapes our lives.
3. How does communication influence our performance?
4. Internal/external communication.
5. How to get hired using communication as tool into your dream job.
6. How to communicate in order to influence.

SUMMARY REPORT

Name of the Program: A WORKSHOP ON TRAINING AND DEVELOPMENT

Date: 13.11.2022

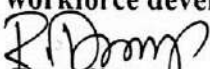

Venue: N4 Seminar Hall

Name of the Resource Person: Mr. Arun Kumar, Training and Development, Puducherry

On November 13, 2022, Mr. ArunKumar, Training and Development at Lucas TVS, conducted an insightful workshop on Training and Development for BBA students in the N4 hall. The workshop covered key aspects of training programs, their importance in organizational growth, and methods to design effective training modules. Mr. Kumar shared real-world examples from his experience at Amazon, highlighting the impact of continuous learning on employee performance and operational efficiency. He emphasized the need for aligning training initiatives with business objectives and fostering a culture of development. Interactive sessions and group activities were incorporated, allowing students to engage actively and apply theoretical knowledge to practical scenarios.

Program Outcome

By the end of the workshop, students gained a comprehensive understanding of the principles and practices of training and development. They learned to design and implement effective training programs tailored to organizational needs. The workshop equipped them with skills to evaluate training outcomes, identify areas for improvement, and understand the role of ongoing professional development in career advancement. Students left with actionable insights and practical tools to apply in future managerial roles, fostering a proactive approach to workforce development.

SUMMARY REPORT

Name of the Program: A Workshop on "Research Opportunities in Green computing"

Date: 10.02.2018

Venue: N4 Seminar Hall

Name of the Resource Person: DR.M. SURESH. M.TECH., PH.D

The Department of computer science and application has conducted A Workshop on "Research Opportunities in Green computing" 10.02.2018 Resource person DR.M. SURESH. M.TECH., PH.D. The workshop was specially conducted for Final year BCA students. The workshop will begin at 11:00 AM. The Participation of the Seminar 45, Resource Person started her session with a brief introduction about the Workshop on Green computing aimed to explore sustainable computing practices and promote awareness about the environmental impact of IT operations. The event brought together experts and enthusiasts to discuss strategies for reducing energy consumption, minimizing electronic waste, and implementing eco-friendly technologies in IT infrastructure.

Sessions and Topics Covered: Understanding Green computing, Energy-Efficient Technologie, Virtualization E-Waste Management, Sustainable IT Policie, Emerging Trends and Innovations

Keyword: Green Cloud Computing; Global environment; Virtualization; Green Use; Eco-sound disposal; Design and Manufacturing

Program Outcomes: The Workshop on Green computing

- **Increased Awareness:** Participants gained a deeper understanding of the environmental impact of IT operations and the importance of adopting sustainable practices.
- **Practical Knowledge:** Attendees learned about specific technologies and practices that can reduce energy consumption and promote sustainability within their organizations.

SUMMARY REPORT

Name of the Program: Seminar on "Patent rights and IPR in Artificial Intelligence"

Date: 12.09.2018

Venue: N4 Seminar Hall

Name of the Resource Person: Dr. Malaya Kumar Nath, Assistant Professor, NIT, Puducherry

Keywords: Machine Learning, Robotics

The Department of computer science and application has conducted a Seminar on "Patent rights and IPR in Artificial Intelligence" on 12.09.2018. Dr. Malaya Kumar Nath, Assistant Professor, NIT, Puducherry. The seminar was specially conducted for Final year BCA students. The timing of the Seminar at 11:00 AM. The Participation of the Seminar 11. Resource Person started her session with a brief introduction about the Artificial Intelligence. The primary objective of the workshop was to enhance understanding of the Artificial Intelligence, discuss recent updates, and address common challenges encountered in its implementation. Throughout the seminar, participants engaged in comprehensive **Sessions and Topics Covered:** Introduction to AI: Fundamentals and Applications, Machine Learning and Deep Learning: Techniques and Case Studies, AI in Industry: Real-world Applications and Business Implications, Ethical Considerations in AI Development and Deployment, Future Trends in Artificial Intelligence.

Program Outcomes: This seminar provided: The Seminar on Artificial Intelligence was a dynamic gathering that delved into crucial aspects shaping the future of AI technology. Participants gained valuable insights into the latest advancements and practical applications of AI across diverse sectors such as healthcare, finance, and transportation. Key discussions centered on the ethical considerations inherent in AI development, emphasizing the need for robust frameworks to ensure responsible deployment and mitigate biases. Industry leaders shared their experiences, illustrating how AI is driving innovation and transforming business practices. The seminar also highlighted emerging trends like explainable AI and AI-driven automation, sparking conversations about future research directions and collaborative opportunities.

The Department of Mathematics has conducted A SEMINAR ON SEMINAR ON "RECENT RESEARCH TRENDS IN FUZZY AND ITS APPLICATIONS" on 24.09.2018. The seminar was specially conducted for Mathematics students. The timing of the seminar at 11:00 AM. The Participation of the workshop 12. J. Jon Arockiaraj, Head of the Department, started his session with a brief introduction about the Fuzzy and its Application. The primary objective of the seminar was to enhance understanding of the fuzzy logic and its applications in mathematics aims to explore the versatility and practicality of fuzzy sets and logic in handling uncertainty and vagueness in mathematical modeling and decision-making processes. Participants will delve into the foundational concepts of fuzzy logic, its mathematical underpinnings, and its application across various domains.

Program Outcomes: Key outcomes of the workshop included **Enhanced Understanding of Fuzzy Logic:** Participants will gain a comprehensive understanding of fuzzy sets, fuzzy logic operations, and their mathematical formulations. The seminar will cover how fuzzy logic extends traditional binary logic to handle graded or uncertain information. This includes constructing fuzzy models, interpreting fuzzy outputs, and refining models based on real-world data.

Date : 13.09.2018

Venue: N4 Seminar Hall

Name of the Resource Person: Dr.S.Thirumaran, Associate Professor, Annamalai University

The Department of commerce has conducted a Workshop on "Goods and Service Tax - Entrepreneurship startups" on 13.09.2018. The seminar was specially conducted for Final year Mcom students. The timing of the workshop at 11:00 AM. The Participation of the workshop 12. Dr.S.Thirumaran, Associate Professor, started his session with a brief introduction about the Good and Service tax. The primary objective of the workshop was to enhance understanding of the GST framework, discuss recent updates, and address common challenges encountered in its implementation. Throughout the workshop, participants engaged in comprehensive sessions covering the fundamentals of GST, including its structure comprising Central GST (CGST), State GST (SGST), and Integrated GST (IGST).

Program Outcomes: Key outcomes of the workshop included heightened awareness among participants regarding industry-specific challenges in GST compliance. Sector-specific breakout sessions facilitated focused discussions on issues pertinent to manufacturing, services, and e-commerce sectors, equipping attendees with tailored strategies and best practices. Interactive components such as Q&A sessions and case studies enriched participant learning, fostering a collaborative environment for sharing insights and experiences. Networking opportunities further enhanced engagement, enabling valuable exchanges and building a network of peers and experts in GST management.

Summary Report: Guest Lecture on Theorizing Literature and Mapping the Postcolonial

Date: 14.02.2019

Venue: RAAK Arts and Science College

Guest Lecturer: Dr. P. Shanthi, Assistant Professor, Department of English, Bharathidasan College for Women, Pondicherry

Introduction: The guest lecture on "Theorizing Literature and Mapping the Postcolonial" was held at RAAK Arts and Science College on 12th February 2019. Dr. P. Shanthi, an esteemed scholar from Bharathidasan College for Women, Pondicherry, delivered the lecture. The session aimed to deepen students' understanding of postcolonial theory and its application in literary studies.

Key Points Covered:

1. Theoretical Foundations of Postcolonialism:

- Dr. Shanthi began by elucidating the theoretical foundations of postcolonialism, exploring key concepts such as colonial discourse, resistance, and hybridity.
- She highlighted the contributions of prominent postcolonial theorists such as Edward Said, Gayatri Spivak, and Homi Bhabha.

2. Literary Analysis through a Postcolonial Lens:

- The lecture included a detailed analysis of literary texts from a postcolonial perspective.
- Dr. Shanthi provided examples from various canonical and contemporary works to illustrate how postcolonial theory helps in interpreting themes of identity, power dynamics, and cultural hegemony.

3. Mapping the Postcolonial Landscape:

- Emphasizing the relevance of mapping the postcolonial landscape, the lecturer discussed the global spread of colonialism and its lasting impacts on literature and society.
- She encouraged students to critically engage with texts from diverse cultural and geographical contexts.

4. Interactive Session:

- The lecture concluded with an interactive session where students actively participated in discussions and asked questions related to the application of postcolonial theory.
- Dr. Shanthi addressed queries and provided additional insights into specific literary examples and theoretical concepts.

Conclusion: The guest lecture by Dr. P. Shanthi was highly informative and engaging, offering students a comprehensive overview of postcolonial theory and its significance in literary studies. The event was well-received by the audience, consisting of students and faculty members from Raak Arts and Science College.

Feedback: Feedback from attendees highlighted the clarity of Dr. Shanthi's presentation, her depth of knowledge, and the relevance of the topic to current academic discourse. Students expressed a keen interest in further exploring postcolonial theory in their studies.

Organizers: The lecture was organized by the Department of English at Raak Arts and Science College, with the objective of enriching students' academic experience and fostering a deeper appreciation for literary theory and criticism.

Future Directions: Such lectures play a crucial role in broadening students' perspectives and preparing them for advanced studies in literature and related fields. The success of this event encourages future collaborations with scholars and institutions to continue exploring diverse literary theories and critical frameworks.
