Subject: Research perspective of New Literatures in English

We are pleased to inform you that the Department of English at RAAK Arts and Science College is organizing a guest lecture on "Discourse on New Literatures in English" by Dr. M. Sivapriya, Assistant Professor at Bharathidasan College for Women, Pondicherry.

Details of the event are as follows:

- **Date:** 14.03.2020
- **Time:** 10.00 AM
- **Venue:** Seminar Hall, RAAK Arts and Science College

Dr. M. Sivapriya is a renowned scholar specializing in contemporary literatures in English and has extensive experience in the field. Her lecture will delve into the emergence and significance of new literatures in English, exploring various themes, styles, and authors that contribute to this evolving literary landscape.

All students of the Department of English are cordially invited and encouraged to participate in this enriching session. The lecture aims to broaden your understanding of contemporary literary trends and provide insights that are valuable for your academic pursuits.

We look forward to your active participation and engagement in this stimulating academic event. Kindly mark your calendars and make it a point to attend.

Summary Report:

Topic: Research perspective of New Literatures in English

Date: 14.03.2020

- **Venue:** RAAK Arts and Science College

Guest Lecturer: Dr. M. Sivapriya, Assistant Professor, Department of English, Bharathidasan College for Women, Pondicherry

Introduction: On 14.03.2020, RAAK Arts and Science College hosted a guest lecture titled "Discourse on New Literatures in English," delivered by Dr. M. Sivapriya from Bharathidasan College for Women, Pondicherry. The lecture aimed to explore and analyze the emerging trends, themes, and significance of new literatures in the English language.

Key Points Covered:

1. Overview of New Literatures in English:

- Dr. Sivapriya provided an overview of the concept of new literatures in English, highlighting its evolution and diversity.
- She discussed how these literatures represent voices from various cultural, social, and geographical backgrounds, contributing to a global discourse.

2. Themes and Trends:

- The lecture delved into the themes and trends prevalent in new literatures, including identity politics, globalization, diaspora experiences, and environmental concerns.
- Examples from contemporary authors and texts were cited to illustrate these themes and their portrayal in literature.

3. Impact and Relevance:

- Emphasizing the impact and relevance of new literatures, Dr. Sivapriya explored how these works challenge conventional literary norms and expand the scope of English literary studies.

PERAMBAL.

RAAK ARTS AND SCIENCE COLLEGE

Affiliated to Thiruvalluvar University, Vellore.
Recognized under section 2(f) of the UGC Act, 1956.

- o She discussed their reception in academia and broader cultural contexts, encouraging critical engagement among students.

4. Interactive Session:

- o The session concluded with an interactive Q&A session, where students actively participated in discussions about the lecture topics.
- o Dr. Sivapriya addressed queries, providing further insights and recommendations for reading and research in the field of new literatures in English.

Conclusion: The guest lecture by Dr. M. Sivapriya was highly informative and engaging, offering students a deeper understanding of the diverse and evolving landscape of new literatures in English. Attendees appreciated the clarity of presentation and the relevance of the topics discussed.

Feedback: Feedback from students and faculty highlighted the enriching experience provided by Dr. Sivapriya's expertise and the importance of exploring contemporary literary trends in academic settings.

Organizers: The event was organized by the Department of English at Raak Arts and Science College, with the objective of enhancing students' knowledge and critical thinking skills in literature studies.

Future Directions: Such lectures play a crucial role in broadening students' perspectives and preparing them for advanced studies and research in English literature. The success of this event encourages future collaborations with scholars and institutions to continue exploring emerging literary trends.

Acknowledgment: The organizers extend their heartfelt gratitude to Dr. M. Sivapriya for her valuable contribution and insightful lecture on new literatures in English.

SUMMARY REPORT

Name of the Program : A Workshop on "Acquiring Patent rights and IPR in Wireless sensor Networks"

Date : 20.01.2020

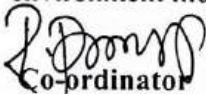

Venue: N4 Seminar Hall

Keywords: Wireless Architecture, Network

The Department of computer science and application has conducted a A Workshop on "Acquiring Patent rights and IPR in Wireless sensor Networks" on 20.01.2020 Resource person. The workshop was specially conducted for Final year BCA students. The timing of the workshop at 11:00 AM. The Participation of the workshop 12. Resource Person started her session with a brief introduction about the Wireless Sensor Networks. The primary objective of the workshop was to enhance understanding of the Wireless Sensor Networks (WSNs) are a crucial component of modern technology, enabling real-time data collection across various domains including environmental monitoring, healthcare, industrial automation, and smart cities. This workshop aims to provide participants with a comprehensive understanding of WSNs, covering their architecture, communication protocols, applications, and practical implementation

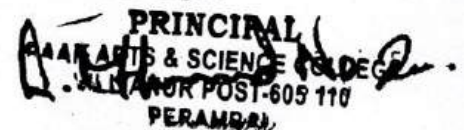

Program Outcomes:

Key outcomes of the workshop included Gain practical skills in WSN design, deployment, data handling, and security. Learn about WSN applications in diverse fields like healthcare, environment monitoring, and smart cities.

SUMMARY REPORT

Name Of The Program : A Seminar on "Capital Market Awareness - Entrepreneurship Opportunities"

Date : 29.10.2019

Venue: Auditorium

Name Of The Resource Person: is Dr.ManjiniPrakash, Head & Assistant Professor ,Saraswathy Arts and Science College, Tindivanam

The Department of commerce has conduted A Seminar on "Capital Market Awareness - Entrepreneurship Opportunities" on 29th October 2019. The seminar was specially conducted for B.com students. The seminar began at 10:00 AM.. The number of students participated in the workshop was 386 . Dr.ManjiniPrakash, Head & Assistant Professor, was startedthe session with an introduction to the share markets. The Chief guest also explained the derivatives, capital markets, risks and opportunities.. It was an interactive session that helped the students to clear many doubts regarding the share markets. The seminar aimed to enhance students' understanding of the capital markets.

Program Outcomes:

The program provided students with valuable insights into the functioning and significance of capital markets, equipping them with practical knowledge about investment strategies, financial instruments, and market dynamics. By attending the seminar, students gained a deeper appreciation of the economic and financial landscape, better preparing them for future careers in finance and commerce. The interactive nature of the seminar allowed for active participation, fostering a learning environment where students could engage with industry experts, ask questions, and discuss real-world scenarios. Overall, the seminar successfully bridged the gap between theoretical knowledge and practical application, contributing to the comprehensive education of the participants.

Summary Report

Name of the Program: Seminar on "Entrepreneurship aspects in Investment and Capital Market"

Date: 16.10.2019

Venue: N4 Seminar Hall

Name of the Resource Person: Dr. ManjiniPrakash,

Summary:

On October 16, 2029, a seminar on "Investment and Capital Market" was held at the N4 Seminar Hall. The event featured a distinguished speaker, [Name of the Resource Person], who is an expert in the field of investments and capital markets.

The seminar commenced with a warm welcome and an introduction of the resource person. The speaker provided a thorough overview of the investment landscape and the functioning of capital markets, emphasizing their importance in the global economy.

Key topics covered during the seminar included:

1. **Introduction to Investment:**
2. **Understanding Capital Markets:**
3. **Investment Strategies:**
4. **Current Trends and Challenges:**
5. **Regulatory Environment:**

The session was highly interactive, with participants engaging in a lively Q&A session. The resource person addressed various queries and provided insights into practical investment strategies and market analysis techniques.

The seminar concluded with a vote of thanks to the resource person and participants for making the event a success. The insights gained from this seminar will undoubtedly help attendees make informed investment decisions and better understand the dynamics of capital markets.

SEMINAR ON CHALLENGES FOR STRATUPS AND ENTREPRENEUERS

SUMMARY REPORT

NAME OF THE PROGRAM : Seminar on "Challenges for Stratups and Entrepreneuers"

VENUE: N4 Hall

NAME OF THE RESOURCE PERSON: Ms. ASHTALAKSHMI, Assistant Professor -
Marudhar kesari Jain college for women, Chinnakallupalli

started the session # Summary Report: Seminar on "Challenges for Stratups and Entrepreneuers"

Introduction The seminar on challenges for startups and entrepreneurs was held on 10.09.2019 at N4 Hall. It aimed to address the various obstacles and opportunities faced by new businesses in today's competitive landscape. The program brought together industry experts, seasoned entrepreneurs, and aspiring startup founders to share insights and strategies for overcoming these challenges.

Objectives:

- **Identifying Key Challenges:** To identify and discuss the primary challenges faced by startups and entrepreneurs in today's business environment.
- **Sharing Insights and Strategies:** To provide a platform for experienced entrepreneurs, industry experts, and stakeholders to share insights, strategies, and best practices for overcoming these challenges.
- **Networking and Collaboration:** To facilitate networking opportunities among participants, fostering collaborations, mentorship, and potential partnerships.
- **Inspiration and Motivation:** To inspire and motivate aspiring entrepreneurs by showcasing success stories, resilience in overcoming challenges, and innovative solutions.

Key Themes Discussed

****Key points****

- Access to capital remains a significant hurdle for startups.
- Discussions focused on alternative funding sources, such as angel investors, venture capital, crowdfunding, and grants.
- Strategies for financial planning, budgeting, and managing cash flow were emphasized to ensure sustainability and growth.

Session 1: Market Competition and Differentiation

****speaker****

Ms.ASHTALAKSHMI

****Key points****

- Understanding market dynamics and identifying niche opportunities were crucial for standing out in crowded markets.
- Marketing strategies, branding, and customer acquisition techniques were explored to help startups effectively reach and engage their target audience.

Session 2: Legal and Regulatory Compliance

****speaker****

Dr.Mohamed nazar

****Key points****

- Navigating legal frameworks, intellectual property protection, and regulatory requirements were highlighted as essential for long-term business viability.
- Legal experts provided insights into compliance strategies and risk management practices.

Closing Session: Technology and Innovation

PRINCIPAL

VILLIANUR POST-605 110
PERAMBAL.

RAAK ARTS AND SCIENCE COLLEGE

Affiliated to Thiruvalluvar University, Vellore.
Recognized under section 2(f) of the UGC Act, 1956.

****speaker****

Dr.Udhayakumar

****Key points****

- Leveraging technology and fostering innovation were identified as key drivers of competitive advantage.
- Discussions covered emerging technologies, digital transformation, and the importance of staying agile in a rapidly evolving digital landscape.

Program Outcome

- **Enhanced Awareness and Knowledge:** Participants gained a deeper understanding of the challenges and opportunities specific to startups and entrepreneurs.
- **Practical Insights:** Actionable strategies and best practices were shared to help startups navigate obstacles more effectively.
- **Networking and Collaboration:** Attendees had the opportunity to network with industry peers, experts, and potential investors, fostering valuable connections.
- **Inspiration and Motivation:** The seminar inspired attendees to innovate, persevere through challenges, and pursue their entrepreneurial goals with renewed enthusiasm.

Conclusion

Seminar on "Challenges for Startups and Entrepreneurs" provided a comprehensive platform for knowledge exchange, collaboration, and inspiration. By addressing critical issues such as funding, competition, legal compliance, technology, and mentorship, the program aimed to equip participants with the tools and insights needed to overcome challenges and thrive in the competitive business environment. Participants left with actionable strategies and a network of support to help them navigate their entrepreneurial journey successfully.

SUMMARY REPORT

Name of the Program : A Seminar on "Nanobiosensor for cholesterol - IPR and patent publishing"

Date : 26.07.2019

Venue: N4 Seminar Hall

Name of the Resource Person: Dr. r. sasikumar Assistant professor dept of chemistry.

Keywords: ABOUT BIOSENSOR CHOLESTROL

The Department of chemistry and application has conducted a seminar on biosensor cholesterol on 26.07.2019 Resource person. The workshop was specially conducted for Final year BSC students. The timing of the workshop at 11:00 AM. Resource Person started his session with a brief introduction about the BIOSENSOR cholesterol. This seminar will cover the essential concepts of biosensor cholesterol, explore different structure of cholesterol, and provide experience with leading biosenor platforms such as structure and synthesis .

Program Outcomes: This seminar provided

A Seminar on "Nanobiosensor for cholesterol - IPR and patent publishing" : Catalysis, Enzyme catalysis and photocatayis areas of interest that could make chemical synthesis more efficient and sustainable. Supramolecular chemistry: the intersection of organic synthesis and supermolecular chemistry, and focuses on sustainable chemistry.

Bioorganic chemistry: focuses on designing bioactive organic molecules.

This seminar is based on the organic synthesis in present and past situation, and also explain the future trends of organic synthesis , and taught development of organic synthesis in chemistry based on industrial , research and application purposes for students.

PERMISSION LETTER

FROM

Mr. PradapRamatchandiran
Head & Assistant Professor,
Department of Business Administration
Raak Arts and Science College,
Perambai – 605110

TO

The Principal,
Raak Arts and Science College,
Perambai – 605110

Respected Sir,

SUB: Requisition for conducting Workshop on "Workforce Management Trends - Research perspective"- Reg.

I kindly request your approval to conduct a Workshop on "Workforce Management Trends - Research perspective" for all BBA students on November 11, 2019. This workshop aims to enhance students' skills and knowledge in this vital area; preparing them for successful careers. Thank you for considering this request.

Thanking you

Place: Perambai

Date: 02.11.2019

Yours Faithfully

RESOURCE PERSON PROFILE

Mr. Arun is a seasoned HR Manager, Integra Software Services Pvt., Ltd., bringing extensive experience in logistics, inventory management, and process optimization. With a background in BBA and an MBA in Operations Management, Mr. ARUN has a proven track record of enhancing supply chain efficiency, reducing costs, and implementing innovative solutions. He is known for his strategic planning, problem-solving skills, and ability to lead cross-functional teams. His expertise has significantly contributed to Amazon's streamlined operations and customer satisfaction.

DEPARTMENT OF BUSINESS ADMINISTRATION (BBA)

SUMMARY REPORT

Name of the Program: Workshop on "Workforce Management Trends - Research perspective"

Date: 11.11.2019

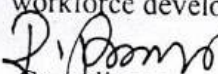

Venue: N4 Seminar Hall

Name of the Resource Person: Mr. Arun, Workforce Management Trends, Integra.

On November 11, 2019, Mr. Arun, Workforce Management Trends at Integra, conducted an insightful Workshop on "Workforce Management Trends - Research perspective" for BBA students in the N4 hall. The workshop covered key aspects of training programs, their importance in organizational growth, and methods to design effective training modules. Mr. Arun shared real-world examples from his experience at Amazon, highlighting the impact of continuous learning on employee performance and operational efficiency. He emphasized the need for aligning training initiatives with business objectives and fostering a culture of development. Interactive sessions and group activities were incorporated, allowing students to engage actively and apply theoretical knowledge to practical scenarios.

Program Outcome

By the end of the workshop, students gained a comprehensive understanding of the principles and practices of training and development. They learned to design and implement effective training programs tailored to organizational needs. The workshop equipped them with skills to evaluate training outcomes, identify areas for improvement, and understand the role of ongoing professional development in career advancement. Students left with actionable insights and practical tools to apply in future managerial roles, fostering a proactive approach to workforce development.

SUMMARY REPORT

Name of the Program : A Workshop on "Research methodology in Virtual LAN Technology"

Date : 19.09.2019

Venue: N4 Seminar Hall

Name of the Resource Person: Dr A. SRINIVASAN - Post Doc.,

The Department of computer science and application has conducted A Workshop on "Research methodology in Virtual LAN Technology" 19.09.2019. Resource person Dr A. SRINIVASAN - Post Doc. Research, Professional Professor in Computer Science in Community College of Pondicherry University.

The workshop was specially conducted for first year BSC.CS,M.Sc CS students. The organized at 12:00 AM. And 44 Participation of the workshop aimed to provide participants with a comprehension understanding of Virtual LAN (VLAN) technology, its benefits, implementation strategies, and practical applications in modern network architectures..

Sessions and Topics Covered: Introduction to VLANs, Definition and purpose of VLANs in network segmentation, Benefits of VLAN implementation (security, performance, scalability). Steps to configure VLANs on switches (Cisco, Juniper, etc.), VLAN membership and port assignment. Security considerations (VLAN hopping, access control). VLAN design considerations (flat vs. hierarchical).

Keyword : Logical, Network, VLANs, Management, IP, Data, Separation, Physical, LANs, Operate

Program Outcomes: The Workshop on Virtual LAN Technology

The outcomes highlight the workshop's success in equipping participants with practical skills and knowledge essential for leveraging VLAN technology effectively within their organizations. The workshop not only deepened understanding but also promoted collaborative learning and readiness for future advancements in networking.

SUMMARY REPORT

Name of the Program : A Workshop on Cloud Computing

Date : 26.07.2019

Venue: N4 Seminar Hall

Name of the Resource Person: Mr. Praveen Hanchinal, Educator, Resource Person on AI.

Keywords: Cloud storage, database, MySQL

The Department of computer science and application has conducted a Workshop on Cloud Computing on 26.07.2019 Resource person. The workshop was specially conducted for Final year BCA students. The timing of the workshop at 11:00 AM. Resource Person started his session with a brief introduction about the Cloud Computing. Cloud computing has revolutionized the way businesses operate, offering scalable and cost-effective solutions for data storage, processing, and application deployment. This workshop will cover the essential concepts of cloud computing, explore different cloud service models, and provide hands-on experience with leading cloud platforms such as AWS, Microsoft Azure, and Google Cloud Platform. Participants will learn how to leverage cloud technologies to enhance efficiency, drive innovation, and achieve strategic business goals.

Program Outcomes:

- **Understand Cloud Computing Fundamentals:** Gain knowledge of cloud architecture, service models (IaaS, PaaS, SaaS), and deployment models (public, private, hybrid).
- **Explore Leading Cloud Platforms:** Get familiar with major cloud providers, including AWS, Azure, and Google Cloud, and learn about their key services and offerings.
- **Develop Practical Skills:** Engage in hands-on exercises to deploy and manage cloud resources, including virtual machines, storage solutions, and databases.
- **Learn Security and Compliance:** Understand the importance of security and compliance in cloud computing, including strategies for securing data and ensuring regulatory adherence.

A WORKSHOP ON LINEAR ALGEBRA AND ITS APPLICATION

SUMMARY REPORT

Name of the Program : A workshop on "Linear Algebra and its Applications in Applied Research"

Date : 19.09.2019

Venue: N4 Seminar Hall

Name of the Resource Person: K. Gurumurthy, Assistant Professor, E.S. Arts and Science College, Villupuram.

The Department of Mathematics has conducted A workshop on "Linear Algebra and its Applications in Applied Research" on 19.09.2019. The workshop was specially conducted for Mathematics students. The timing of the seminar at 10:00 AM. The Participation of the workshop 60. K. Gurumurthy, Assistant Professor, started his session with a brief introduction about the Linear Algebra and its Application. The primary objective of the workshop was to enhance understanding of the Applications of Linear Algebra and its applications in mathematics aims to explore the versatility and practicality of Linear Independence, Basis and Dimension in handling uncertainty and vagueness in mathematical modeling and decision-making processes. Participants will delve into the foundational concepts of Matrix Theory its mathematical underpinnings, and its application across various domains.

Program Outcomes: Key outcomes of the workshop included

Understanding Fundamental Concepts: Participants will develop a thorough understanding of key concepts in linear algebra, including vectors, matrices, and linear transformations.

Problem-Solving Skills: Participants will enhance their ability to solve systems of linear equations and apply matrix operations to practical problems.

RAAK ARTS AND SCIENCE COLLEGE

Affiliated to Thiruvalluvar University, Vellore
Recognized under section 2(f) of the UGC Act, 1956.

Computational Proficiency: Participants will gain experience using computational tools to perform linear algebra calculations, aiding in the application of these concepts to real-world problems.

Application of Eigenvalues and Eigenvectors: Participants will learn how to compute and interpret eigenvalues and eigenvectors and understand their importance in various applications, such as stability analysis and principal component analysis.

Real-World Applications: Participants will explore various real-world applications of linear algebra, including data science, machine learning, computer vision, and network analysis.

Critical Thinking and Analytical Skills: Participants will enhance their critical thinking and analytical skills by applying linear algebra concepts to complex problems and developing solutions.

Interactive components such as Q&A sessions and case studies enriched participant learning, fostering a collaborative environment for sharing insights and experiences.

Name of the Resource Person: Dr.N. Thirunarayanasamy, Associate professor, Annamalai University

The Department of commerce has conducted a Seminar on "Research perspective of Latest Technology Development in Banking sector" on 09.09.2019. The seminar was specially conducted for Final year M com students. The timing of the workshop at 11:00 AM. The Participation of the Seminar 21. Dr.N. Thirunarayanasamy, Associate professor started his session with a brief introduction provided a comprehensive overview of the transformative advancements that reshaped the industry throughout the year. Mobile banking apps were also recognized for their pivotal role in enhancing customer convenience and accessibility to financial services. Biometric authentication methods such as facial recognition and fingerprint scanning emerged as crucial tools in strengthening security measures and improving user experience

Program Outcomes: The session concluded with a consensus that these developments have set a new benchmark for banking operations, paving the way for continued innovation and digital transformation in the sector in the years ahead. Key discussions centered around the pivotal role of artificial intelligence (AI) and machine learning in revolutionizing customer service, risk management, and operational efficiency within banks.

SUMMARY REPORT

Name of the Program : EDP Program On Waste Class

Date : 13/12/2019

Venue: N4 Seminar Hall

The "Art from Waste" class, conducted on 13.12.2019 aimed to inspire creativity and environmental awareness among students by transforming discarded materials into artistic creations. The session began with an introduction to the concept of upcycling and its benefits, emphasizing the environmental impact of waste and the potential for repurposing materials.

Students engaged in hands-on activities, using items such as plastic bottles, old newspapers, and fabric scraps to craft innovative artworks. The class covered various techniques including collage and sculpture, encouraging students to experiment with different materials and styles.

Participants learned not only about artistic expression but also about the principles of sustainability and the importance of reducing waste.

The workshop fostered a sense of accomplishment as students created unique pieces that showcased their creativity and resourcefulness. By the end of the class, students gained a deeper appreciation for the value of waste materials and the potential for art to contribute to environmental conservation. The session was well-received, highlighting the importance of combining artistic skills with ecological responsibility.
