## SUMMARY REPORT

Name of the Program : A Conference on "Research aspects of E-Commerce in Emerging Market Trends in India"

Date : 12.02.2021

Venue: N4 HALL

The research on "E-Commerce in Emerging Market Trends in India" explores the dynamic and rapidly evolving landscape of online commerce in one of the world's most promising markets. This conference highlights key trends, challenges, and opportunities within the Indian e-commerce sector, which has witnessed significant growth in recent years.

### Key Findings:

- Market Growth:** India's e-commerce market has experienced exponential growth, driven by increasing internet penetration, smart phone usage, and a young, tech-savvy population. The market is projected to continue expanding, with both domestic and international players investing heavily.
- Consumer Behavior:** There has been a notable shift in consumer behavior, with more people preferring online shopping due to convenience, a wider range of products, and competitive pricing. The rise of mobile commerce (m-commerce) has further accelerated this trend.
- Technology Integration:** Emerging technologies such as artificial intelligence (AI), machine learning, and big data analytics are becoming integral to e-commerce strategies. These technologies help in personalizing customer experiences, optimizing supply chains, and enhancing operational efficiency.
- Challenges:** Despite the growth, the sector faces challenges including logistical issues, payment security concerns, and regulatory hurdles. Companies need to address these issues to ensure sustainable growth and consumer trust.

## Conclusion:

The e-commerce sector in India is poised for continued expansion, driven by technological advancements and shifting consumer preferences. For businesses and entrepreneurs, staying abreast of these trends and addressing the challenges effectively will be key to leveraging the opportunities in this burgeoning market.

This research underscores the importance of innovation, adaptability, and strategic planning in navigating the evolving landscape of e-commerce in India.

## SUMMARY REPORT

Name of the Program: Seminar on "Recent research trends in Corporate Social Responsibilities"

Date: 12.11.2020

Venue: N4 Seminar Hall

Name of the Resource Person: Mr. Asar Ali, Senior Executive Manager, Amazon, Bangalore.

On November 12, 2020, Mr. Asar Ali, Senior Executive Manager, Amazon, Bangalore, conducted an insightful Seminar on Corporate Social Responsibilities for BBA students in the N4 hall. The workshop covered key aspects of training programs, their importance in organizational growth, and methods to design effective training modules. Mr. Asar shared real-world examples from his experience at Amazon, highlighting the impact of continuous learning on employee performance and operational efficiency. He emphasized the need for aligning training initiatives with business objectives and fostering a culture of development. Interactive sessions and group activities were incorporated, allowing students to engage actively and apply theoretical knowledge to practical scenarios.

### Program Outcome

By the end of the workshop, students gained a comprehensive understanding of the principles and practices of training and development. They learned to design and implement effective training programs tailored to organizational needs. The workshop equipped them with skills to evaluate training outcomes, identify areas for improvement, and understand the role of ongoing professional development in career advancement. Students left with actionable insights and practical tools to apply in future managerial roles, fostering a proactive approach to workforce development.

TO

The Principal,  
RAAK Arts and Science College,  
Perambai – 605110

Respected Sir,

**SUB:** Requisition for conducting A workshop on "Recent Research Trends in Graph Theory Applied to Fuzzy Mathematics"- Reg.

This is bringing to your kind notice that we have planned to conduct a workshop on **Recent Trends in Graph Theory Applied to Fuzzy Mathematics** for Mathematics students. This course is very useful for students to developing their knowledge about their future study. So, I kindly request you to, permits us to conduct the above said on 09.09.2020

Thanking you

Place: Perambai

Date: 02.09.2020

Yours Faithfully

## A WORKSHOP ON "RECENT RESEARCH TRENDS IN GRAPH THEORY APPLIED TO FUZZY MATHEMATICS"

### SUMMARY REPORT

Name of the Program : A Workshop On "Recent Research Trends In Graph Theory Applied To Fuzzy Mathematics"

Date : 09.09.2020

Venue: N4 Seminar Hall

Name of the Resource Person: Dr. J. Vadivel Naidu, Assistant Professor, CK college of Engineering and Technology, Cuddalore.

The Department of Mathematics has conducted A Workshop On "Recent Research Trends In Graph Theory Applied To Fuzzy Mathematics" on 09.09.2020. The seminar was specially conducted for Mathematics students. The timing of the seminar at 10:00 AM. The Participation of the workshop 47. Dr. J. Vadivel Naidu, Assistant Professor, started his session with a brief introduction about the Graph Theory Applied To Fuzzy Mathematics. The primary objective of the workshop was to enhance understanding in mathematics aims to explore the versatility and practicality of fuzzy sets and logic in handling uncertainty and vagueness in mathematical modeling and decision-making processes.

**Program Outcomes:** Key outcomes of the workshop included

**Enhanced Understanding of Fuzzy Logic:** Participants will gain a comprehensive understanding of Graph set Theory, fuzzy logic operations, and their mathematical formulations. The seminar will cover how fuzzy logic extends traditional binary logic to handle graded or uncertain information. This includes constructing fuzzy models, interpreting fuzzy outputs, and refining models based on real-world data.

**Integration into Research and Development:** Participants will explore how fuzzy logic contributes to innovative research and development in mathematics and related fields. They will

learn to apply fuzzy logic to address complex problems that involve uncertainty, ambiguity, and imprecision.

**Networking and Collaboration:** The seminar will foster networking among participants and experts in the field of fuzzy logic and mathematics. Interactive components such as Q&A sessions and case studies enriched participant learning, fostering a collaborative environment for sharing insights and experiences.

## SUMMARY REPORT

**Name of the Program :** Webinar on "Patent publishing and IPR in Cloud Computing"

**Date :** 20.08.2020

**Venue:** N4 Seminar Hall

The recent webinar on "Patent Publishing and IPR in Cloud Computing" provided valuable insights into the complex intersection of intellectual property rights and cloud computing technologies. Held on 20.08.2020, the session aimed to educate students about the importance of patents and intellectual property (IP) in the rapidly evolving field of cloud computing.

The webinar covered key topics such as the process of patent publishing, the significance of intellectual property rights in protecting innovations, and the challenges and opportunities associated with patenting cloud-based technologies.

Experts discussed how cloud computing has transformed the IT landscape and highlighted the critical role of IP in safeguarding technological advancements and ensuring competitive advantage. Attendees learned about the various types of patents relevant to cloud computing, including software patents and business method patents, and explored the legal considerations and strategic approaches for filing and managing patents.

The session also addressed common pitfalls in patent applications and provided practical tips for navigating the IP landscape. Overall, the webinar was highly informative, offering students a deeper understanding of how intellectual property rights impact innovation in cloud computing and the strategic importance of patents in this burgeoning sector.
