DEPARTMENT OF TAMIL

SUMMARY REPORT

Name of the Program :I Tamil 2021

Date :06.08.2021

Venue: N4 Seminar Hall

Name of the Resource Person:

The Department of Tamil has conducted a I Tamil 2021 on 06.08.2021. The seminar was conducted for B.A Tamil students. The timing of the program at 11:00 AM. The Tamil Department hosted a vibrant and multifaceted function that celebrated the rich cultural heritage of Tamil Nadu. The event included an Exhibition, a traditional Drama performance, a showcase of Native Foods, and various activities highlighting Tamil Traditions. The function aimed to immerse participants in the diverse and colorful aspects of Tamil culture, providing both educational and experiential learning opportunities.

Program Outcomes:The Inauguration of the Literary Association and Antiquities Exhibition organized by the Tamil Department was a highly successful event that achieved several key outcomes:

1. Cultural Preservation and Awareness:

- The function significantly enhanced awareness and appreciation for Tamil Nadu's rich cultural heritage. By showcasing ancient manuscripts, traditional artifacts, and cultural relics in the Exhibition, attendees gained a deeper understanding of Tamil history, literature, and art. The event helped preserve these cultural elements by educating a new generation about their importance.

2. Revival of Traditional Arts:

The Drama performance successfully revived the traditional art of Tamil theatre. By reenacting scenes from classical Tamil literature, students not only honed their acting

skills but also connected with their cultural roots. The performance highlighted the enduring relevance of Tamil storytelling and its impact on contemporary culture.

3. Promotion of Tamil Cuisine:

- The Native Foods section of the event provided an opportunity for participants to experience and appreciate traditional Tamil cuisine. The culinary exhibition educated attendees about the diversity and cultural significance of Tamil dishes, reinforcing the importance of food as a key aspect of cultural identity. This also encouraged an interest in preserving traditional cooking methods and recipes.

4. Engagement with Traditional Practices:

- The activities focused on Tamil Traditions, such as traditional games, rituals, and attire, fostered a hands-on engagement with cultural practices that define Tamil identity. Participants were able to experience these traditions firsthand, leading to a greater appreciation and understanding of Tamil customs and their role in everyday life.

5. Strengthening Community and Cultural Pride:

- The event brought together students, faculty, and the broader university community, strengthening bonds and fostering a sense of pride in Tamil culture. It created a platform for cultural exchange, where attendees could share and celebrate their heritage in a supportive and inclusive environment.

6. Educational and Experiential Learning:

- The function provided valuable educational experiences, particularly for students. It allowed them to apply their academic knowledge in practical settings, such as through the organization of the Exhibition and participation in the Drama. This experiential learning reinforced the importance of cultural education and its role in shaping well-rounded individuals.

7. Encouragement of Future Cultural Initiatives:

SUMMARY REPORT

Name Of The Program :A Seminar on Financial Analysis and Decision making

Date : 19.11.2021

Venue: Auditorium

Name Of The Resource Person: Dr. M. Kalairasu, Assistant Professor, Sangamam Arts and Science College

The Department of commerce has conducted a Seminar on Financial Analysis and Decision making on 19th November 2021. The seminar was specially conducted for B.com students. The seminar began at 11:00 AM. The number of students participated in the workshop was 298. Dr. M. Kalairasu, Assistant Professor, aimed to equip participants with advanced knowledge and practical tools for financial analysis and decision-making. The speaker provided insights into various analytical techniques and decision-making strategies crucial for effective financial management. Participants found the seminar highly informative and appreciated the practical examples and case studies provided by the speaker.

Program Outcomes:

The seminar designed to equip students with essential skills and knowledge for effective financial management. Through interactive sessions and expert presentations, students will gain a deeper understanding of financial statements, budgeting, and forecasting techniques. The seminar will also cover decision-making frameworks, risk assessment, and strategic planning, providing students with the tools needed to make informed financial decisions. By the end of the seminar, participants will be able to analyze financial data critically, apply financial principles to real-world scenarios, and develop strategies to enhance organizational performance. This comprehensive approach will prepare students to tackle financial challenges and contribute to the financial success of future enterprises.

NAME OF THE PROGRAM : Seminar on "Investment logistics and supply chain management entrepreneurship opportunities"

DATE : 16.11.2021

VENUE: N4 HALL

NAME OF THE RESOURCE PERSON Ms. USHA M, Assistant Professor - MarudharKesari Jain College for Women, Chinnakallupalli started the session # Summary Report: Seminar on Investment logistics and supply chain management

Introduction

Welcome to today's seminar on Investment Logistics and Supply Chain Management. In today's interconnected and globalized economy, efficient logistics and supply chain management are critical for businesses aiming to optimize their operations and enhance competitiveness. This seminar aims to delve into the intricacies of investment strategies within the logistics and supply chain sectors, providing participants with valuable insights and practical knowledge.

Workshop Objectives

- 1 **Cost Efficiency:** Reduce overall costs associated with transportation, warehousing, inventory management, and order processing. Efficient logistics and supply chain management can help minimize expenses through optimal route planning, inventory optimization, and efficient use of resources.
- Improved Customer Service:** Enhance customer satisfaction by ensuring timely delivery, accurate order fulfillment, and responsiveness to customer demands. Efficient logistics ensure products are available when and where customers need them, leading to higher customer retention and loyalty.

□ **Inventory Optimization:** Maintain optimal levels of inventory to meet demand without excessive carrying costs or stockouts. This involves balancing supply and demand through effective demand forecasting, inventory planning, and management techniques such as Just-In-Time (JIT) inventory.

Key Sessions and Highlights

Key Points:

- **Infrastructure Development:** Investing in infrastructure such as warehouses, distribution centers, transportation fleets, and technology systems (like ERP, WMS, TMS) to support efficient and effective supply chain operations.
- **Technology Adoption:** Embracing advanced technologies such as Internet of Things (IoT), Artificial Intelligence (AI), blockchain, and predictive analytics to enhance visibility, optimize routes, predict demand, and improve decision-making.
- **Risk Management:** Allocating resources to identify and mitigate risks in the supply chain, including disruptions, geopolitical issues, natural disasters, and supplier failures, through robust contingency planning and resilience strategies.

Session 1: Inventory Optimization

**Speakers:

Ms. USHA M

**Key Points:

- **Supplier Relationship Management:** Investing in building strong relationships with suppliers through collaboration, communication, and mutually beneficial partnerships to ensure quality, reliability, and timely delivery of goods and services.
- **Inventory Optimization:** Implementing strategies such as Just-In-Time (JIT), Vendor Managed Inventory (VMI), and efficient replenishment models to minimize carrying costs while ensuring products are available to meet customer demand.

- ❑ **Transportation and Logistics Optimization:** Optimizing transportation networks, modes of transport, and logistics processes to reduce lead times, transportation costs, and improve delivery reliability and flexibility.

Session 2: Overcoming Challenges in **Supplier Relationship Management**

- DR.UDHAYAKUMAR

****Key Points:****

- ❑ **Customer Service Excellence:** Investing in customer service capabilities by providing superior order fulfillment, responsiveness, transparency, and personalized service to enhance customer satisfaction and loyalty.
- ❑ **Sustainability Initiatives:** Integrating sustainable practices into supply chain operations, including reducing carbon footprint, minimizing waste, and promoting ethical sourcing and fair labor practices to align with corporate social responsibility goals.

Closing Session: The Future of Supplier Relationship Management

****Speaker:**

Ms. USHA M Professor of Commerce, University

****Key Points:**

- ❑ **Continuous Improvement:** Committing to continuous improvement through performance metrics, benchmarking, feedback loops, and regular reviews to identify opportunities for efficiency gains, cost reduction, and service enhancement.
- ❑ **Talent Development:** Investing in training and development programs for supply chain professionals to enhance skills, knowledge, and capabilities in areas such as logistics management, inventory control, procurement, and strategic sourcing

Program Outcomes

Program outcomes of investing in logistics and supply chain management programs typically include achieving specific goals and benefits that contribute to overall business performance and competitiveness. Here are the program outcomes typically associated with such investments:

- **Improved Efficiency:** Enhance operational efficiency across the supply chain, reducing lead times, eliminating waste, and optimizing resource utilization (e.g., labor, inventory, transportation).
- **Cost Reduction:** Lower overall logistics costs through improved inventory management, transportation optimization, and streamlined processes, leading to better profitability and cost competitiveness.

Conclusion

In conclusion, investment in logistics and supply chain management is crucial for businesses aiming to achieve sustainable growth, operational efficiency, and competitive advantage in today's global marketplace. By strategically allocating resources and adopting advanced technologies, businesses can streamline operations, optimize costs, and enhance customer satisfaction.

SUMMARY REPORT

Name of the Program: Seminar on "Entrepreneur Development Programme"

Date: 18.11.2021

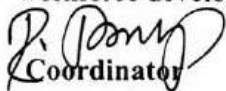

Venue: N4 Seminar Hall

Name of the Resource Person: Mr. SarathKurupathMotivational Speaker, Puducherry.

On November 18, 2021, Mr. AsarAli ,Senior Executive Manager, Amazon, Bangalore, conducted an insightful workshop on Training and Development for BBA students in the N4 hall. The workshop covered key aspects of training programs, their importance in organizational growth, and methods to design effective training modules. Mr. Asar shared real-world examples from his experience at Amazon, highlighting the impact of continuous learning on employee performance and operational efficiency. He emphasized the need for aligning training initiatives with business objectives and fostering a culture of development. Interactive sessions and group activities were incorporated, allowing students to engage actively and apply theoretical knowledge to practical scenarios.

Program Outcome

By the end of the workshop, students gained a comprehensive understanding of the principles and practices of training and development. They learned to design and implement effective training programs tailored to organizational needs. The workshop equipped them with skills to evaluate training outcomes, identify areas for improvement, and understand the role of ongoing professional development in career advancement. Students left with actionable insights and practical tools to apply in future managerial roles, fostering a proactive approach to workforce development.

Webinar on "Hardware Virtualization - Publishing patents and IPR"

SUMMARY REPORT

Name of the Program : A Webinar on Hardware Virtualization

Date : 25.09.2021

The Department of Computer Application has conducted a Webinar on Hardware Virtualization on 25.09.2021. The seminar was specially conducted for Final year BCA students. Resource Person started his session with a brief introduction about the Hardware Virtualization.

Importance of Hardware Virtualization

Hardware virtualization plays a crucial role in optimizing resource utilization, enhancing security, and improving scalability in IT infrastructures. By abstracting physical hardware into virtual machines (VMs), it allows for greater flexibility and efficiency in deploying and managing applications.

Key Benefits

- 1. Resource Utilization:** Hardware virtualization enables the consolidation of multiple workloads onto fewer physical servers, leading to better utilization of computing resources such as CPU, memory, and storage.
- 2. Isolation and Security:** VMs provide a level of isolation between applications and operating systems, enhancing security by limiting the impact of breaches or failures.
- 3. Flexibility and Agility:** Virtualization allows IT teams to quickly provision, migrate, and scale virtual machines, adapting to changing workload demands with minimal disruption.

Despite its advantages, hardware virtualization faces several challenges:

1. **Performance Overhead:** Running multiple VMs on a single host can introduce performance overhead due to resource contention and virtualization layer processing.
2. **Complexity:** Managing a virtualized environment requires specialized skills and tools, adding complexity to IT operations.
3. **Dependency on Hardware Support:** Effective hardware virtualization depends on CPU and chipset support for virtualization technologies such as Intel VT-x or AMD-V.

Future Trends

Looking ahead, several trends are shaping the future of hardware virtualization:

1. **Containerization:** Containers are emerging as a lightweight alternative to VMs, offering faster deployment and greater efficiency for certain types of workloads.
2. **Edge Computing:** Virtualization technologies are increasingly being adapted for edge computing environments to support distributed applications and IoT devices.
3. **Hybrid Cloud:** Virtualization is integral to hybrid cloud architectures, enabling seamless workload migration between on-premises data centers and cloud providers.

Conclusion

In conclusion, hardware virtualization continues to be a cornerstone of modern IT infrastructure, offering substantial benefits in terms of efficiency, security, and flexibility. While facing challenges such as performance overhead and complexity, ongoing advancements and evolving trends indicate a promising future for virtualization technologies in meeting the demands of today's digital landscape.

This webinar provided valuable insights into the current state and future directions of hardware virtualization, emphasizing its critical role in driving innovation and efficiency across enterprise IT environments.

Our college has conducted A Seminar On Recent Research Trends Of Chemical Technology on 25.02.2022. The timing of the seminar at 11:00 AM. The resource person started his session with a brief introduction about the Recent Research Trends Of Chemical Technology.

The seminar provided an in-depth exploration of the latest advancements and innovations in the field of chemical technology. The event brought together leading researchers, industry experts, and academics to discuss emerging trends, challenges, and future directions in chemical technology research. Effective technology transfer from research to industry remains a key challenge and area of focus. The seminar provided a comprehensive overview of the latest research trends in chemical technology, offering valuable insights into current developments and future directions.

Participants gained a deeper understanding of how emerging technologies and sustainable practices are shaping the future of the chemical industry.

The Department of commerce has conducted a Guest lecture on Stock Exchange on 22.09.2021

The seminar was specially conducted for Final year M com students. The timing of the workshop at 11:00 AM. The Participation of the Seminar 83. Dr.L.Ganesan, Assistant Professor, started his session with a brief introduction on the stock exchange. It is a vital component of the global financial system, serving as a platform for the buying and selling of securities such as stocks, bonds, and other financial instruments. It facilitates the raising of capital for companies, enabling them to fund growth and expansion while providing investors with opportunities to participate in the financial success of these companies. Through its mechanisms, the stock exchange ensures market liquidity, transparency, and price discovery, contributing to the overall efficiency and stability of the financial markets.

Program Outcomes: The seminar on the stock exchange provided valuable insights into the functioning and importance of stock markets. Participants gained a deeper understanding of how stock exchanges operate, the roles of different market participants, and the regulatory framework that ensures fair trading practices. The seminar successfully equipped participants with the knowledge to make informed decisions in the financial markets.
