Dear Sir,

Sub: Subscription Charges Due for the Period Jan - Dec23

This is to inform you that after checking our records, we have found that your institution has not paid the subscription charges due for our Journal, **INDIAN JOURNAL OF MARKETING**, for the above-mentioned period. It behooves us to explain to the office that it is for the sole purpose of avoiding inconvenience to the students and the academic fraternity that we continue sending the journals to an institute/university even after the expiry of the subscription period. Normally, the process of bill clearance takes time, and to avoid unnecessary delay, even if we do not get a renewal request from an institution/university, we do not stop sending the journals.

In your case, the subscription expired on December 31, 2022. Thereafter, in keeping with our policy to keep academic interests foremost, we have sent the issues from Jan - Feb 23 (2 issues). We have also sent repeated reminders for renewal of subscription, but we did not get any response from your end. As this journal is a platform for researchers, professors, and lecturers, it would be a respectable gesture on your part to inform us whether you would like to continue subscribing to the journal and also settle the dues within one month, else we shall delete your institution's name from our mailing list. You will appreciate that we can render you better services if payments are received promptly. We hope you will kindly cooperate in remitting the payment.

Thanking you,
Yours truly,

Meenakshi Gilani

Dear Sir,

Sub: Subscription Charges Due for the Period Jan – Dec23

This is to bring to your kind notice that after checking our records, we have found that your Institution has not paid the subscription charges due for our Journal, **PRABANDHAN: INDIAN JOURNAL OF MANAGEMENT**, for the above mentioned period. It behooves us to explain to the office that it is for the sole purpose of avoiding inconvenience to the students and the academic fraternity that we continue sending the journals to an institute/university even after the expiry of the subscription period. Normally, the process of bill clearance takes time and to avoid unnecessary delay, even if we do not get a renewal request from an institution/university, we do not stop sending the journals.

In your case, the subscription expired on December 31, 2022 Thereafter, in keeping with our policy to keep academic interests foremost; we have sent the issues from Jan – Feb23 (2 issues). We had also sent repeated reminders for the same, but we did not get any response from your end.

As this journal is a platform for researchers, professors and lecturers, it would be a respectable gesture on your part to inform us whether you would like to continue subscribing to the journal and also settle the dues within one month, else we shall delete your institution's name from our mailing list. You will appreciate that we can render you better services if payments are received promptly. We hope you will kindly cooperate in remitting the payment.

Sub: Subscription Charges Due for the Period Jan - Dec23

This is to bring to your kind notice that after checking our records, we have found that your Institution has not paid the subscription charges due for our Journal, *INDIAN JOURNAL OF MARKETING*, for the above mentioned period. It behooves us to explain to the office that it is for the sole purpose of avoiding inconvenience to the students and the academic fraternity that we continue sending the journals to an institute/university even after the expiry of the subscription period. Normally, the process of bill clearance takes time, and to avoid unnecessary delay, even if we do not get a renewal request from an institution/university, we do not stop sending the journals.

In your case, the subscription expired on December 31, 2022. Thereafter, in keeping with our policy to keep academic interests foremost, we have sent the issues from Jan - Feb23 (2 issues). We had also sent repeated reminders for renewal of subscription, but we did not get any response from your end.

As this journal is a platform for researchers, professors and lecturers, it would be a respectable gesture on your part to inform us whether you would like to continue subscribing to the journal and also settle the dues within one month, else we shall delete your institution's name from our mailing list. You will appreciate that we can render you better services if payments are received promptly. We hope you will kindly cooperate in remitting the payment.

Thanking you,
Yours truly,
