Career Path to become a Network Engineer

Name of the Program : Career Path to become a Network Engineer.

Name of the Resource Person: Mr.S. Suguwanan, Assistant Professor, Sri Saradha College of Arts and Science, Puducherry

Date :13.05.2021

Time : 10.00 AM to 12.00 PM

No of Beneficiary : 60

The program was conduct in online for the department of CS & BCA. The topic covered in this program was

- Basics of computer networks
- Introduction to Networking
- Programming basics (Python, C++)
- Data structures and algorithms
- Network architecture and design principles

Elective courses and specializations allow students to explore wireless networking, cloud networking, and network automation, learning about Wi-Fi standards, cloud service models, and scripting for network management. A capstone project challenges students to design, implement, and troubleshoot a complex network, culminating in a presentation of their findings and solutions.

Awareness program on Social Media Network Analysis

Name of the Program : Awareness program on Social Media Network Analysis
Name of the Resource Person : Dr. G. Kumaravelan, AP/CS, Pondicherry University, Pondicherry
Date : 27.05.2021
Time : 10.00 AM to 12.00 PM
No of Beneficiary : 153

The Awareness Program on Social Media Network Analysis is designed to educate participants on the significance and techniques of analysing social media networks.

Objectives

- Introduce the fundamental concepts of social media network analysis.
- Demonstrate the tools and techniques used for analysing social media data.
- Highlight the practical applications and implications of social media network analysis.
- Foster skills to interpret and utilize social media data effectively. Participants will learn about advanced methods such as sentiment analysis and predictive analytics, and explore applications in marketing, crisis management, political campaigns, and academic research. The program includes hands-on sessions, real-world case studies, and expert guest lectures.
