ANNUAL GENDER SENSITIZATION ACTION PLAN

RAAK Arts and Science College is dedicated to changing people's lives for better. In terms of providing equal opportunities for work and education, we are pioneers. Being a co-educational college, our college has established a reputation in the community as a protective place for women students, especially considering that many of our students are the first born in their families. The measures and activated list given below have served as the foundation for our success in fostering gender equality among our staff and students as well as in keeping students and staff.

Summary Report for National Cancer Day

The "Rally for a Cure: Unite against Cancer" was a resounding success in promoting awareness about cancer and unity among students, faculty, and staff. The event provided a platform for people to come together and show their support for those affected by cancer. We hope to continue this initiative in future years to make a meaningful impact in the fight against cancer. The event started with a candlelight vigil at 9.30 am, followed by a procession around the Pondy Beach the rally was then addressed by the College Principal, who spoke about the importance of cancer awareness and the role that students can play in spreading awareness about this deadly disease. A panel discussion was also held, featuring a survivor of cancer, a doctor from a nearby hospital, and a student who has lost a loved one to cancer.
