ANNUAL GENDER SENSITIZATION ACTION PLAN

RAAK Arts and Science College is dedicated to changing people's lives for better. In terms of providing equal opportunities for work and education, we are pioneers. Being a co-educational college, our college has established a reputation in the community as a protective place for women students, especially considering that many of our students are the first born in their families. The measures and activated list given below have served as the foundation for our success in fostering gender equality among our staff and students as well as in keeping students and staff.

Summary Report for Anti- Ragging Day

The objective of the anti-ragging program was to create awareness among the students, faculty, and staff about the harmful effects of ragging and to prevent it from happening in our college. The program aimed to promote a culture of respect, dignity, and inclusivity among all students. The program created awareness among students about the harmful effects of ragging and its consequences. The workshop on conflict resolution helped students develop better communication and interpersonal skills, enabling them to manage conflicts peacefully. The program contributed to a cultural shift in the college towards promoting respect, dignity, and inclusivity among all students. The program encouraged students to report any incidents of ragging, which led to a significant increase in reporting. The anti-ragging program was successful in creating awareness among students about the harmful effects of ragging and promoting a culture of respect and inclusivity in our college. The program's outcomes demonstrate a significant shift in the college's culture towards preventing ragging. We recommend continued efforts to reinforce these messages and create a safe and supportive environment for all students.
