ANNUAL GENDER SENSITIZATION ACTION PLAN

RAAK Arts and Science College is dedicated to changing people's lives for better. In terms of providing equal opportunities for work and education, we are pioneers. Being a co-educational college, our college has established a reputation in the community as a protective place for women students, especially considering that many of our students are the first born in their families. The measures and activated list given below have served as the foundation for our success in fostering gender equality among our staff and students as well as in keeping students and staff.

Summary Report for Dengue Awareness Programme

The Dengue Awareness Programme at our college aimed to educate students and faculty members about this serious disease. Lions club of Pondicherry organized this Programme in our college and the guest delivered a lecture on dengue fever. The Programme started with an introduction to dengue fever, its symptoms, causes, and modes of transmission. The speaker highlighted the importance of early detection and treatment to reduce the severity of the disease. The Programme success is evident from the positive feedback received and the increased awareness among participants. We believe that this initiative has contributed to a healthier campus environment and will help prevent the spread of dengue fever in our community.

Summary Report of World AIDS Day.

World AIDS Day was a successful event on our college campus, raising awareness about HIV/AIDS and promoting education, support, and understanding. We are committed to continuing this effort and making a positive impact in our community. A guest speaker from a local AIDS organization presented an informative talk on the current state of HIV/AIDS, its causes, symptoms, and treatments. A rally was held during lunch hours to raise awareness and promote discussion about HIV/AIDS. Students, faculty, and staff participated in a chant and shared personal stories about how HIV/AIDS has affected them or someone they know. The college's social media accounts shared informative posts, videos, and infographics about HIV/AIDS throughout the day, using hashtags World AIDS Day and HIV/AIDS Awareness.
