- **Mechanism for Grievance Redressal cell:** An easily accessible and transparent mechanism for reporting and successfully resolving grievances. An accessible and transparent grievance redressal mechanism to report and resolve complaints effectively.

GRIEVANCE REDRESSAL COMMITTEE

The college grievance redressal committee functions to provide a fair and impartial platform for individuals to raise complaints or grievances related to any issues they may be facing. The committee endeavours to address and resolve grievances in a timely manner, ensure transparency and accountability in the process, and provide a safe and confidential space for individuals to voice their concerns. The committee aims to promote a positive and supportive work or organizational culture by effectively addressing and resolving grievances of both faculty members and students in a systematic and efficient manner.
