Summary Report for Pongal Celebration

The Pongal Festival celebration at our Campus was a resounding success, promoting cultural diversity, unity, and community bonding among students, faculty, and staff. The event showcased the college's commitment to preserving traditional culture and promoting academic excellence. We look forward to organizing similar events in future. To celebrate the Pongal festival, a traditional harvest festival of the Tamil people, and to promote cultural diversity and unity among students, faculty, and staff. A special pooja was conducted in the college auditorium on the first day of the festival, where students, faculty, and staff gathered to offer prayers and thanksgiving for the blessings of the harvest. Fresh sugarcane was distributed among students, faculty, and staff as a symbol of the festival's significance. A traditional food festival was organized in the college featuring dishes like pongal, sakkara pongal. A series of cultural programs were held during the festival, including traditional dance. Students participated in various games and competitions like rangoli-making, and traditional dress competition. The college campus was decorated with colourful rangoli patterns, flowers, and traditional lights to create a festive atmosphere.

Summary Report for Blood Donation Camp

A blood donation camp conducted by National Service Scheme of our college is an event where students, faculty, and staff are encouraged to donate blood to support local blood banks and hospitals. The camp includes setting up a dedicated space on campus with medical staff to oversee the donation process. The event aims to raise awareness about the importance of blood donation, potentially offering educational materials and incentives for participation. The collected blood is used to help those in need, such as patients undergoing surgeries or those with medical conditions requiring blood transfusions.
