## REPORT FOR GRIEVANCES RESOLVED

The following grievances were addressed in the GRC meeting conducted on 10/01/2020.

- Need more training classes for HCL, Infosys Placements.

The above mentioned grievances were resolved by arranging placement classes for final year students from 20/01/2020 to 10/02/2020.

## KEY POINTS DISCUSSED DURING PLACEMENT TRAINING

- 1. Resume Building:** Craft a professional resume that highlights your skills, education, and relevant experiences.
- 2. Interview Preparation:** Practice common interview questions, both technical and behavioral. Mock interviews can be very helpful.
- 3. Technical Skills:** Review the key technical skills relevant to your field. This may include programming languages, tools, and technologies.
- 4. Soft Skills:** Develop communication, teamwork, and problem-solving skills. Employers often value these as much as technical expertise.
- 5. Networking:** Build connections with industry professionals through networking events, social media platforms like LinkedIn, and alumni associations.
- 6. Industry Research:** Stay informed about the industry trends, companies, and roles you are targeting.
- 7. Confidence Building:** Work on building confidence through practice and positive self-talk, which is crucial during interviews.
- 8. Follow-Up:** Learn how to effectively follow up after interviews, which can leave a positive impression on employers.
- 9. Time Management:** Develop a schedule to balance training, job applications, and personal study.
- 10. Feedback:** Be open to constructive criticism and use it to improve your skills and approach. Focusing on these areas will help you feel more prepared and confident for your placement journey!
